Today's Market Reports

WALL STREET WAITS ON NEWS FROM MEXICO

[By Leased Wire to Evening Herald.] New York, April 21.—The opening bulge brought out an increased supply of stocks which temporarily checked the advance and short selling was resumed. The early advance was cancelled, but the depression was of short duration, and in the late forenoon the upturn was resumed. Leading, Lehigh and Hill and Harrison shares and various other issues made gains of about a point. Trading diminished on the rise and the market became dull, while the street awaited news from Mexico. A block of \$500,000 Southern Pacific convertible 5s was marketed at 100 1/4 and New York City 4 1/4 fell to 101. Bonds were irregular. A raid on Lehigh forcing it down nearly 2 points had little effect where. Foreign houses were liberal sellers, putting out about 12,000 shares. The market closed strong. Overseas conditions showed a substantial advance in prices despite the Mexican crisis. Buying of stocks went on steadily, although business contracted in the late dealings. Closing prices on the more important stocks were as follows: Amalgamated, 73 7/8. Sugar, 108 1/4. Atchafalpa, 53 3/8. Northern Pacific, 103 1/8. Reading, 15 1/2. Southern Pacific, 90 3/8. Union Pacific, 153 1/8. Steel, 58 1/8. Steel, preferred, 108 3/4.

Chicago Grain

Chicago, April 21.—Wheat developed strength today, helped by a big decrease in European visible supply and by lack of rain in the west and southwest parts of the domestic winter belt. Prices, which at the opening varied from 1-8c off to 1-4 to 3-8c up, made a subsequent material advance all around. The close was firm, 1-4@5-8c not higher. An improved demand from feeders gave corn an upward turn. The opening prices were 1-8 to 3-4c higher, and there was no subsequent additional gain. The close was firm at 1-8c to 7-8c not higher. Oats hardened with other cereals, though scattered, and reached a fair volume. First sales of provisions varied from 7 1/2c decline to 10c advance, but afterwards prices suffered a general fall. Wheat—May, 91 1/2c; July, 89 1/2c. Corn—May, 62c; July, 61 1/2c. Pork—May, 36 7/8c; July, 37c. Lard—May, \$19.95; July, \$19.80. Hides—May, \$10.75; July, \$10.85.
